“

A catastrophic injury can be the result of a violent and traumatic accident or the result of medical malpractice. Before receiving any compensation you may be deemed by medical practitioners and the courts as not having capacity to manage your financial affairs.

”

A Financial Manager

may need to be chosen and appointed by the Supreme Court. Ability One Financial Management Pty Ltd acts as a court appointed Financial Manager for people who have sustained a catastrophic injury.

WE ARE HERE TO PROTECT YOUR WELFARE AND INTERESTS

Choose the Right Financial Manager

We personally meet with you to share our story and learn about yours. We listen to your goals to help us gain a better understanding of your requirements and obtain information to be used as the basis for our advice.

One of our Directors sustained a catastrophic injury many years ago which has resulted in him being wheelchair bound. This offers us a unique perspective of the challenges that face so many of our clients.

We work to protect your settlement funds by helping you make prudent investment choices, and assist you in the process of restoring your self-esteem by empowering and supporting you where and when possible.

We consider your views and encourage you to become self reliant.

We work closely with **Allied Health** industry leaders to provide you with specialised focused support and guidance for your health and lifestyle related matters.
